I believe my passion for evangelization, leadership experience, and vision would enable me to help make wise decisions/recommendations and would be a resource for parish group/activity leaders in their own ministries.

Skills – I am good at seeing the “big picture” – both the overall vision and details. I also have a master’s degree in Evangelization and Catechesis from the Augustine Institute.

Parish Activities – I am just now getting involved at Saint Thomas À Becket but I have previously served as the full-time coordinator of youth ministry at two parishes for nine years.

Years in the Parish – ½

Occupation – Religion Teacher
