

Shawn Endsley

I prayerfully bring a common sense and fiscally sensible approach in addressing the pastoral issues of our community. My experience demonstrates that I have worked and would work in a collaborative way to meet Christ's call for our community. That collaborative approach involves helping the Pastor and other members of the Parish Council to address our needs in a reasonable and fiscally sensible way. I welcome the opportunity to participate more fully in our Parish community through the Parish Council.

Skills – I have my MBA and am currently a certified public accountant and retired chief financial officer for a public company. I would like to use my financial and management skills in helping achieve the pastoral goals of the Parish. I was a board member and treasurer of my community association for 21 years, chair and committee member of the Reston Association Fiscal Committee for over 10 years, and currently a board member of the Reston Citizen's Association. I want

to help the Parish community prosper and fulfill our mission.
